OUR HISTORY

Intercar was born in 1996, and it was the first automotive company in the group. Our Kia agreement was established in July 1996 having now more than 20 years working together.

Our headquarters in Maputo have 8.000sqm, divided in 600sqm for new car showroom, 800sqm in back office activities, and more than 6.000sqm for after sales services.

Today, we have locally more than 70 employees, with an annual revenue of 12M dollars.
